

# WELCOME TO ALTUS

From  
**Welcome Neighbor!**

Newcomer's Welcome Service  
Serving Altus, OK

**Have you just arrived in Altus?**  
**Have you moved to Altus in the past six months?**  
**Are you relocating to Altus?**

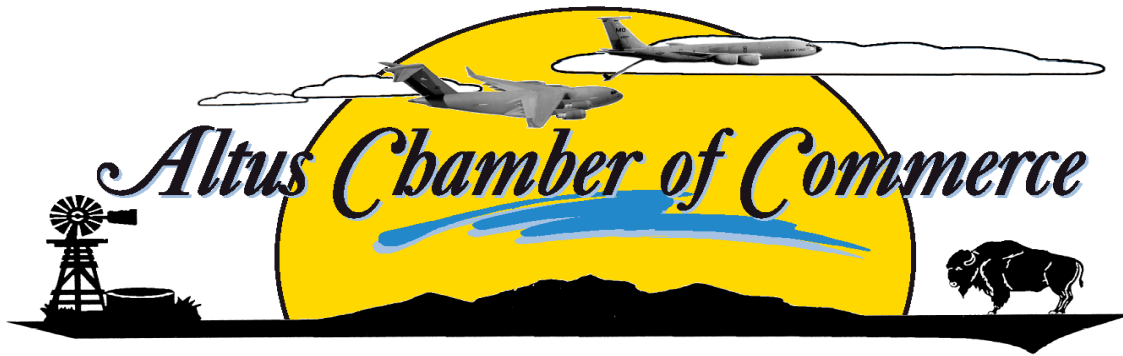

If you answered YES, here is great news for you. Altus has a **free** information and gift welcome package to help you feel right at home with a community. The **WELCOME Neighbor** package helps families and individuals get community-connected.

**WELCOME Neighbor!** gives you *useful information* on Altus and Oklahoma. You will also receive *valuable materials, free gifts/services, and discounts* which are provided by businesses and organizations of Altus. The no- obligation gift package is given to extend a newcomer's welcome to you.

TO RECEIVE A **FREE** NEWCOMER'S INFORMATION & GIFT PACKAGE, CALL NOW.  
The sooner you receive your package, the sooner you benefit.

**Barbara York at 477-1438**

This package is offered as a volunteer service and does not represent a for- profit business.

The Altus Chamber of Commerce would like to **WELCOME** you to the community. Our people in Altus are very open and friendly and it is our hope that you will find your stay enjoyable. Our goal is to make you feel that this is your “second home” or your “home away from home”.

The Chamber of Commerce is a great resource for community events, from the Chili Cook-Off to the Great Plains Rodeo, we are also able to provide information on cultural events, historic and scenic attractions in and around Altus.

We strive to build a great relationship between the community and Altus Air Force Base. Our goal is to be “one” community. To better help you understand this relationship, we’ve provided some basic facts about our organization.

The Altus Chamber of Commerce:

- Answer questions about business, facilities and the community.
- Maintains a library of City Directories, Community Organizations and Welcome packet with information about our schools, churches, restaurants, motels and shopping.
- Develops strong community/base ties with our Committee of 100. We sponsor newcomer activities, which give our military and civilian families the opportunity to come together and get to know each other better.
- Assists local businesses with concerns and activities.
- Provides counseling services for those considering new business ventures, as well as those needing financial assistance.
- Works collectively with volunteers and other organizations to foster growth and development for our area of the state. We “Make a Difference”.

The Altus Chamber of Commerce will assist you in any way possible to make your stay here the greatest! Simply call the Chamber office at (580) 482-0210 or visit our website at [www.altuschamber.com](http://www.altuschamber.com)

Once again, *Welcome* to Altus!!!

## WESTERN OKLAHOMA STATE COLLEGE

Western Oklahoma State College's "Community to Excellence" challenges each member of the institution to provide the best in higher education and career preparation. At Western you will find a student-oriented campus with friendly staff, small classes, and the most affordable tuition in the state.

Western Oklahoma State College works very hard to ensure that academic programs transfer successfully to a four year college. We offer three degrees: Associate in Arts, Associate in Science, and Associate in Applied Science in more than 40 areas of study. In addition to traditional academic courses of study, some of our specialized programs include nursing, aviation, radiology, criminal justice, and musical theater.

Technical education is a specialty at Western Oklahoma State College. We are a recognized leader throughout the state and nation in distance education. We send and receive more interactive television courses than any other college in Oklahoma, and we have six up-to-date computer labs. A recently added Office Systems online degree is already a very popular course of study.

Seeking to meet the needs of every student, Western Oklahoma State College offers courses during the day, the evening, on weekends, and eight-week and intercession courses, telecourses and online courses are also available in some areas. We have an active relationship with Altus Air Force Base and offer courses on base in addition to the ones on campus.

Western Oklahoma State College has more than 20 active clubs and organizations, and organizational competitions are an extremely popular activity with students. We also have intercollegiate sports program in men and women's basketball, women's fast pitch softball, baseball, and men and women's rodeo.

Visitors to Western Oklahoma State College frequently remark on the attractiveness of the mall-style campus. The facilities are in excellent shape, and include the following new construction: a 96-occupancy residence hall, a competitive softball field, a band rehearsal hall, a recently remodeled student bookstore and learning resources center (library). Other features of note include four interactive television classrooms, a 1,600 seating capacity gymnasium, an indoor NCAA six-lane swimming pool, and the Herschal H. Crow Fine Arts Center, featuring one of the largest stages in the state.

For more information about Western Oklahoma State College, find our website at [www.wosc.edu](http://www.wosc.edu) or call (580)477-2000. Address: 2801 North Main Altus, Oklahoma 73521.

## SOUTHWEST TECHNOLOGY CENTER

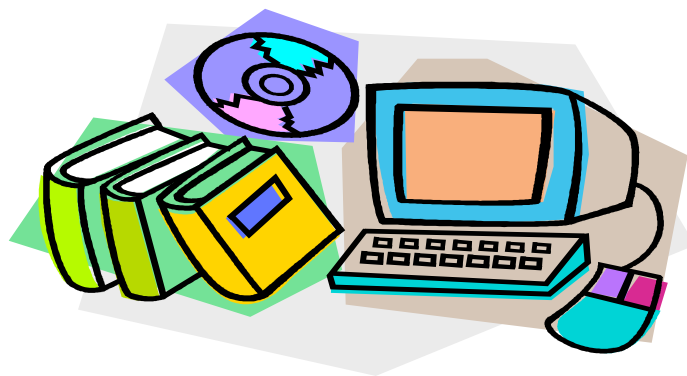

The Southwest Technology Center, located at 711 West Tamarack Road in Altus, provides high-quality technical training to area high school students, adults and to area businesses and industries. The center was opened in 1995 and is located on a 30-acre campus adjacent to Western Oklahoma State College.

The center provides comprehensive full-time training in Automotive Technology, Aviation and Aerospace Technology, Construction Trades, Electronic Technology, Health Science Technology, Licensed Practical Nursing, Networking Technology and PC Repair, Occupational Services and Simulator Maintenance Technology. In addition to full-time training opportunities, the center provides business and industry services in Adult Training and Development, Bid Assistance, Industrial Specific Training and Small Business Management Training.

The center also provides student services in Assessment, Career Counseling, Cooperative Agreements with Western Oklahoma State College, Educational Enhancement and Financial Aid for Post-Secondary Students.

Professional counselors are available to discuss financial programs and career opportunities that are available through the center's various training programs.

For more information contact the Southwest Technology Center at (580) 477-2250 or visit our website at [swtc.org](http://swtc.org).
